

Educational Workshops for Local Nonprofits & Small Businesses

Transform your ideas and learn new strategies that will strengthen your organization so you can accomplish your mission more efficiently and effectively through workshops led by local experts.

Cyber Security

Cybersecurity is an important piece to keeping your small business or nonprofit up and running. The threat of a cyber attack is increasing exponentially every year, small businesses and nonprofits are becoming primary targets. It is vital to gain understanding of the impact of cyber crime on your organization and what you can do to protect it.

This workshop is **in person**.
